Spray Deck Survey

The City of Edmonton has a mandate to replace all community wading pools to spray decks in order to comply with Provincial Health and Safety Regulations to eliminate standing water. The City will fund the basic conversion, resulting in a flat concrete deck with 6 ground spray nozzles. The McKernan Community has an opportunity to upgrade the spray deck so it can include engaging and attractive water features.

What would you like to see in your spray deck?

Please fill out this survey before **August 31, 2009** and drop it in the mailbox at the McKernan Community League Hall, 11341 78 Ave. You can also print out this survey from www.mckernancommunity.org and view photos of other spray decks in Edmonton.

To check out other community spray decks in Edmonton, visit Kenilworth Park at 7104 87 Ave, King Edward Park at 7803 87 St. or Hazeldean Park at 96 St. & 66 Ave. Also visit www.vortex-intl.com or www.playworks.ca/water for examples of water spray features.
